Re: IHS 2015 Increase

The US Department of Health and Human Services/Indian Health Services has increased the rate for Indian Health Clinics from \$342.00 to \$350.00 per encounter for services provided on or after January 1, 2015.

The Maine Integrated Health Management System (MIHMS) has now been updated with the current rate. For any claims paid at the prior year's rate for dates of service on or after January 1, 2015, please contact the Office of MaineCare Services.

Thank you.
